THIS MEETING

Howard Tevlowitz, Executive Director of The Jewish Federation of Sarasota-Manatee is a highly experienced leader and change agent working within the Jewish Federation system. Since 2001, he has helped to reinvent The Jewish Federation of Sarasota-Manatee by setting up an outreach/community engagement model focused on a variety

of one-on-one and large group engagement opportunities/entry points into the Jewish community; granting based on outcomes; a focus on Israel 'beyond the conflict;' Jewish cultural and arts engagement, as well as the strategic philanthropy required to sustain it.

Howard attended Brandeis University and the University of Florida. After graduation, he moved to Israel, where he participated in the World Union of Jewish Students (WUJS) program in Arad and Jerusalem. His passion for the State of Israel is a guiding force in his life, both professionally and personally. Howard and his wife, Bryna, have two adult children.

PREVIOUS MEETING By Ron Rayevich

Lunch at the **Roy McBean Boys and Girls Club** is always such an uplifting experience. Our own **Bill Sadlo** gave us a few facts about the five locations in Sarasota County where the Boys and Girls club is active serving over 5000 children in Sarasota (2), North Port, and Venice, with new club coming to Newtown Estates Recreation Center. **David Auxier**, who has just joined the organization and will manage the new Tom and Debbie Shapiro Career Resource Center, explained how the center will operate and how it will guide the 13-18 year old population to better understanding and selecting career opportunities. And finally, **Almuto Hawks**, a Boys and Girls Club alumnus and cadet at Sarasota Military Academy, discussed by film and in person how the club had changed his life. Boys and Girls Clubs serve 4 million kids in the US, and in Sarasota is a key to seeing that Great Futures Start Here.
