## FUTURE PROGRAMS

May 18 - Alex Suczewski, Asolo Rep  
May 25 - Sandra Frank, All Faiths Food Bank

**LAUGHTER IS GOOD FOR WHATEVER AILS US.  
WHAT BETTER TIME TO REFLECT ABOUT OUR  
LOVE-HATE  
RELATIONSHIPS WITH COMPUTERS THAN WHEN  
WE HAVE SARASOTA'S LOCAL KING OF COMEDY  
VISITING.**

## LIFE BEFORE THE COMPUTER

- \* Memory was something that you lost with age
- \* An application was for employment
- \* A program was a TV show
- \* A cursor used profanity
  - \* A keyboard was a piano
  - \* A web was a spider's home
  - \* A virus was the flu
  - \* A CD was a bank account
- \* A hard drive was a long trip on the road
- \* A mouse pad was where a mouse lived
- \* And if you had a 3 1/2 inch floppy  
....you just hoped nobody found out

Ever notice, the older we get,  
the more we're like computers ?

We start out with lots of  
MEMORY and DRIVE  
then we become outdated,  
and eventually have to get  
our parts replaced...;)

Home computers are the  
perfect thing for women  
who don't feel that

Men provide them with  
enough frustration!!

## PREVIOUS MEETING By Charlotte Ryan

**David Sylvester**, president and CEO of the **Pines of Sarasota**, was our distinguished guest speaker. The Pines was the first skilled nursing facility in Sarasota and was established 68 years ago. There are 2,800 residents including children. One million pounds of laundry are done each year in eighteen buildings on seventeen acres. Although there are many facilities available, an independent living facility is being considered. Many of the patients are admitted because of falls, so Pines has instituted a Ready and Steady program, a plan for better balance. Referred to as a hidden gem, the **Pines of Sarasota** is always available for tours, assessments, and practical solutions for better health.
