

## THE 4-WAY TEST of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

### HELPING THE FOOD INSECURE

Our club ran the Summer Food Pantry at Alta Vista Elementary that served 1,792 people (985 children and 807 adults) and was extremely well received. We did it once a week for the 7 weeks and had a total of 56 hours donated by Sarasota Rotary members and 24 hours from non-members, many of them from Longboat Key Provisional club.

During the regular school year we do the Pantry every two weeks and ALWAYS need workers. Come enjoy fellowship with others in this worthwhile project.

He landed in the first group at Inchon, Korea, during the Korean War, and was wounded December 2, 1950. For his gallantry he received two Purple Hearts, the Bronze Star and the Silver Star. After retirement he became a policeman. Most recently, Sgt Hawkins has served as Chaplain of the Sarasota Sheriff's Department for 16 years.

### LAST MEETING **Bill Furst; Robyn Bardo**

Two "newish" (Bill is a returning member of our club) members entertained us with their autobiographies. Bill Furst was first with a geographical memoir of his travels to various homes in the United States when his family upped and moved, sometimes surprising Bill with the news on very short notice. After college and licenses in both real estate and contracting, Bill moved to Miami, married Darla and moved to Sarasota in 1990. In 2002, he became a contractor again and ran for Property Appraiser in Sarasota, winning after an eight month campaign. Bill has two daughters and is happy to be back in Rotary.

Robyn chose a fun game to enlighten us about herself. She gave us statements about herself followed by three choices, one of which was not true. In the process, we learned that Robyn was a superintendent of schools in PA and taught graduate classes at Penn State. She has two sons, one married and one very special granddaughter. Robyn is creative, fun loving and adventurous. There is a legacy of Rotary in Robyn's family, her father having been a proud Rotarian. The members of his club became her friends and golf partners and influenced her to be a Rotarian. Our club welcomes these two talented and interesting members. - **Charlotte Ryan**
