AROUND THE CLUB

Lois Schaper is in Chile, and will be on Easter Island Wednesday. **Saturday at Panera Bread** was relaxing and educational. We learned who and why a club member was known as **Olney**; that **Doc LeFrock** will be heading for Aspen in a few weeks; that **Dick Rehmeier** and **Gene Rose** are experienced political satirists; and that one should be concerned if they walk into a toilet and forget why they are there.

OLIVE OIL NIGHT

Friday, Nov 20
6300 S. Tamiami Trail

Slip in at **6:30 p.m.** and enjoy a delicious break hosted by gourmet chef **Bob Gaglio**, who is fresh back from Italy.

PREVIOUS MEETING by Ron Rayevich

As Veteran's Day approaches we all become more aware of those who have served their country and sacrificed for our freedom. It was a pleasure to have **CJ Bannister**, who serves as Director of Veteran Services at Goodwill Industries, as our speaker. Prior to college and other professional activities, CJ served in the US Air Force from 1993 to 2001. She joined Goodwill Industries in her current capacity in 2014 and is responsible to helping Vets in our area who are having difficulties with job placement and service related injuries improve their lives. Goodwill is an organization interested in "changing lives through the power of work" and CJ helps guide over 700 Vets each year to meaningful careers and into programs that will help them better prepare for today's workplace. She also told us about the "buck-up" program in which local restaurants allow their customers to add a dollar to their bill in support of local veteran's programs.
